Hamblen County 4-H Shooting Sports Code of Conduct Agreement

The Hamblen County 4-H Shooting Sports program teaches life skills to 4-H youth. Exposure to safe and responsible firearm/bow handling is vital in preventing accidents. The 4-H program teaches youth safe and ethical use of firearms/bows. This understanding is valuable in helping young people develop self-confidence, personal discipline, responsibility, teamwork, self-esteem, concentration, and sportsmanship.

Our program has seven (7) certified instructors and several screened assistant instructors/volunteers. As instructors our mission is to teach your child safe and responsible use of firearms/bows. We are required to promote the highest standards of safety, sportsmanship and ethical behavior. In order for us to do so we will teach your child the safe way to handle, shoot, and care for their firearm/bow.

The 4-H program understands that your child may have been around firearms/bows before and been taught firearm/bow safety. However, the 4-H Safety Guidelines and the Range Safety Guidelines go beyond your normal firearm/bow safety and is the minimum required by the Tennessee 4-H Shooting Sports Program. Therefore, as instructors we are required to teach your child the way to handle, shoot, and care for their firearm/bow according to these 4-H and Range Safety guidelines.

This agreement includes but not limited to:

- Instructors and assistant instructors will show shooters how to handle, shoot and care for their firearms/bows while following the 4-H and Range Safety Guidelines
- Participants and parent/guardian received a copy of the 4-H Shooting Sports Code of Conduct and the Code of Conduct Agreement.
- Participant can be dismissed from the team at any time if the instructor(s) feel that you or your child are not following the 4-H Shooting Sports guidelines or Code of Conduct.
- Participant can be dismissed from the team at any time if the instructors feel that you or your child are not following the directions of instructor(s) (certified or assistants).
- Participants will be notified of any changes made to code of conduct. Instructors have the right to add or change the rules/code of conduct as deemed necessary.
- Participants are required to participate in fundraising throughout the year.

When the participant and parent/guardian signed the Activity and Event Acceptance Form (F600A) both agreed to follow ALL 4-H rules and requirements. By signing below you and your child further agree that you have read the Hamblen County 4-H Shooting Sports Code of Conduct and the Code of Conduct Agreement and agree to all information as it is presented. The main goal is to be safe while having fun and learning about firearms/bows.
