

What is Wild Child Day Camp?

Wild Child Day Camp is a 4 day summer day camp through the University of Tennessee Extension in conjunction with the TN Wildlife Resource Agency (TWRA). The camp provides youth with hands on educational activities to actively engage them in learning but also provides fun adventures, recreational activities and fosters new friendships. Campers are well-supervised by the 4-H agent, TWRA officers, adult and youth volunteers.

Who Can Attend?

This camp is for youth grades 4th–6th.

Where will camp be held?

The camp base will be one location. All days will be conducted off-site and campers will be transported by bus to the locations and return for pick-up. On Friday, June 7 pickup will be at the Regional TWRA office located across I-25 from the park.

Camp Remind

All parents/guardians will be enrolled in the RemindMe messaging program. This will be used for reminders, deadlines and other important camp communication.

June 4-7, 2024
